GAME RULES

-It is played on any pitch, in phase 2 and 3 it has to be dirt.

-The start is played with the same official rules as Molkky and Molkkout. In other words, the first skittle must be 3.5 meters from the Molkkaari

-The participation will be done individually and for a maximum of 20 minutes you have to perform the following 15 tikku / mölkky / baton launches.

1st.-A first game of Molkky is played, making 5 consecutive throws trying to get 50 points. If you get it, you will have a bonus of 10 points.

-As in the mölkky if you exceed 50 points you will score with 25. And if you make 3 shots in a row without scoring you will get 0 points in that game.

2nd.-A second Molkky game is played just like the previous one.

3rd.-5 tikku tosses will be made in the position of pins 6, 4, 12, 10 and 8 in a straight row and separated by the length of the tikku. Molkky

-The record of scores will be made according to the official record of the championship.

-At all times the official rules of the Molkky will be applied and do not forget that once the tikku is launched, the participant must come out from behind the Molkkaari, never in front of or from the sides of the Molkkaari. In this case the launch will score 0 points.

-In each phase only one broadcast can be made, and the best of the two scores for the TOP'10

-If someone joins the second phase, they will only be able to broadcast

-Watch reference tutorial video <https://youtu.be/EaOmbIUWksE>

It is advisable to watch the reference video tutorial <https://youtu.be/EaOmbIUWksE>

- 1.-First of all make sure that the mobile or ... has the automatic screen rotation activated.
- 2.-Put the camera centered just in front of the pins and mōlkkari For a better view of the positioning of the Mōlkkout pins. Position it approximately 10 meters from the mōlkkari use the zoom to zoom in according to the placement of the pins.
- 3.-Have the camera horizontally before giving the icon to broadcast live within the group on Facebook for the second time <https://www.facebook.com/groups/645589926093491>
Publish Live at the corresponding time and wait 60 seconds for those interested in seeing it live to join.
- 4.-At the beginning, appear before the camera, showing the registration form with the name, surname, club and country
The tab that is close to the camera so that it is visible.
- 5.-Farewell at the end before cutting.
- 6.- DO NOT FORGET to share the video in the group

Phases to make live video:

It is advisable to watch the reference video tutorial <https://youtu.be/EaOmbIUWksE>

- 1.-First of all, have the token, the mōlkkari and the pins in their initial position ready.
- 2.-Present yourself before the camera
- 3.-Make the launch
- 4.-Stand up the pins not completely fallen.
- 5.-Approach the card that is placed in front of the camera, put the score and the corresponding sum.
- 6.-Show the control sheet near the camera.
- 7.-Stand up the fallen pins. VERY IMPORTANT to always be behind the pins from the camera so that the placement is clear. Try not to shade the bowling with your body for a better vision.
- 8.-Once the first 5 throws have been made, the 12 pins are put back in the starting position.
- 9.-5 throws are made again
- 10.-After the two Mōlkky games, pins 6, 4, 12, 10 and 8 are placed in a row exactly that can be seen from the camera.
- 11.-The length of the tikku should always be used to line up the fallen pins during the mōlkkout.
- 12.-At the end and near the camera, the sum is made with the three totals, this being the TOTAL score of the participation, although it must be confirmed by the organization.

Courage and happy Championship
